

Some Ecological Concept by R. V. SESHIAH, F.N.A. . . . .	147
The Ecology of Parasitism in the Intertidal Zone by M. ANANTARAMAN . . . . .	150
Ecology of Benthos in a Tropical Estuary by C. V. KURIAN . . . . .	156
On the Geographical Distribution of Interstitial Fauna of Marine Beach Sand by G. CHANDRASEKHARA RAO . . . . .	164
Marine Intertidal Barnacles in the Indian Ocean by A. DANIEL . . . . .	179
Intertidal Amphipods from the Indian Coast by K. V. SURYA RAO . . . . .	190
Studies on Indian King Crabs (Arachnida, Xiphosura) by K. V. RAMA RAO and K. V. SURYA RAO . . . . .	206
Some New and Interesting Bicellariellids (Polyzoa : Cheilostomata) from Visakhapatnam Coast, Bay of Bengal by K. SATAYANARAYANA RAO and P. N. GANAPATI, F. N. A. . . . .	212
On the Common Anascan Genus <i>Electra</i> from Visakhapatnam and its Vicinity by K. SATYANARAYANA RAO and P. N. GANAPATI, F. N. A. . . . .	220
Studies on Neritidae (Neritacea : Prosobranchia) from Peninsular India by K. GOVINDAN and R. NATARAJAN . . . . .	225
Bivalve Gastropods of the Indian Seas by P. N. GANAPATI F. N. A. and A. L. N. SARMA . . . . .	240
Observations on the Colonization of Graded Sands by the Interstitial Fauna of the South-West Coast of India by N. BALAKRISHNAN NAIR and A. G. GOVINDANKUTTY . . . . .	251
The Importance of Shore-Types in Intertidal Ecology of Indian Marine Algae by V. KRISHNAMURTHY and K. SUBBARAMAIAH . . . . .	259
Role of Critical Tide Factor in the Vertical Distribution of <i>Hypnea musciformis</i> (Wulf.) Lamour by K. RAMA RAO . . . . .	267
The Habitat and the Habitat-Selection by <i>Umbonium vestiarium</i> L. by N. KALAYANASUNDARAM, S. S. GANTI and A. A. KARANDE . . . . .	273
Meiobenthos of the Mudbanks of Kerala Coast by R. DAMODARAN . . . . .	288
Ecological Observations on some Intertidal Algae of Mandapam Coast by M. UMAMAHESWARA RAO . . . . .	298
Studies on the Marine Intertidal Ecology of the Orissa Coast by A. K. NAGABHUSHANAM . . . . .	308
