

# Proceedings of the Indian National Science Academy

Vol. 48, Part A, No. 4

July 1982

## CONTENTS

Page

### *Electrochemistry*

Electrocatalysis in the Processes of Energy Storage	V. S. Bagotsky	269
Ad-Layers and Oxidation of Formic Acid at Platinum Electrodes	A. Q. Contractor and Hira Lal	272
Advances in Battery Technology—Reserve Batteries	P. B. Mathur	284
A. C. Effect on the Photopotential at the Cadmium Sulphide-Electrolyte Interface	C. V. Suryanarayana, A. S. Lakshmanan and J. Kuppusami	290
Kinetics and Mechanism of Anodic Reactions on Oxide Electrodes	L. I. Krishtalik	293
Some Electrochemical Properties and Corrosion of Ruthenium Based Dimensionally Stable Anodes	V. V. Losev, V. V. Gorodetzki, M. M. Pecherski and N. Ya. Bune	307
Electrochemical Reduction of Fe(III) at Various Surface States of Platinum Electrode	R. C. Kapoor and B. L. Kaushik	308
Electrochemical Methods of Purifying Waste Water	G. A. Tedoradze and V. K. Kazarinov	310
Some Techniques of Practical Interest in Electrolysis	H. V. K. Udupa	317
Transition Metal Oxide Anodes and their Application in the Synthesis of Organic Compounds	Dinesh Chandra Trivedi, K. S. Udupa and H. V. K. Udupa	333
Indirect Route for the Electro-Synthesis of Fine Chemicals, Pharmaceuticals, Drugs and Dye Intermediates	M. S. V. Pathy, S. Chidambaram, Kanakam and H. V. K. Udupa	345
Electrodeposition of Lead Dioxide and its Applications	K. C. Narasimham and H. V. K. Udupa	346
Corrosion of Platinum in Alkaline Solutions	N. A. Shumilova and E. I. Khrushcheva	362
Some Studies on Corrosion, Passivity, Inhibition and Immunity	K. S. Rajagopalan	364
Stress Corrosion Cracking in Iron-base Alloys	C. R. Shastry and V. Ramaswamy	376
Corrosion of Iron in Sulphuric Acid—An Accelerated Tafel Study	G. Prabhakara Rao and V. Yegnaraman	392
Pitting Corrosion of Stainless Steels in Chloride Containing Media	D. L. Roy and S. Basu	400
Accelerated Corrosion of Marine Alloys in Polluted Seawater	C. P. De	416
