

# *Proceedings of the Indian National Science Academy*

---

VOLUME 80

NUMBER 4 (747-912)

NOVEMBER 2014  
(Special issue)

---

## **Contents**

### ***Preface***

Science at High Altitude: Facilities in India

*Sibaji Raha*

... 747

### ***Review Articles***

Ground-based TeV  $\gamma$ -ray Astronomy in India - Historical Perspective and Recent Developments

*B S Acharya and R Koul*

... 749

Science at High-Altitude Sites of ARIES – Astrophysics and Atmospheric Sciences

*Ram Sagar, Manish Naja, G Maheswar and A K Srivastava*

... 759

The Darjeeling Facility: Cosmic Rays and Atmospheric Sciences

*Sanjay K Ghosh and Sibaji Raha*

... 791

Solar Astronomy at High Altitude

*S S Hasan, S P Bagare and K E Rangarajan*

... 815

High Energy Astroparticle Physics at Ooty and the GRAPES-3 Experiment

*S K Gupta*

... 827

Gamma Ray Astronomy from High Altitudes: HAGAR

*V R Chitnis and B S Acharya*

... 877

Indian Astronomical Observatory, Leh-Hanle

*T P Prabhu*

... 887
