CONTENTS

	<i>Page</i>
Proceedings of the Eleventh Annual General Meeting .. .. .	59
Annual Report, List of Fellows, Statement of Accounts, etc., for 1945 ..	65
Annual Address, 1946. By D. N. WADIA .. .. .	87
STUDIES ON THE CATALYTIC FORMATION OF DIOLEFINS FROM MONO-OLEFINS.	
PART I. Chemical Equilibrium in Butadiene-1,3 formation from Butene-1 at low pressures. By J. C. GHOSH and A. N. ROY .. .. .	97
PART II. Poisoning and Promotion of Chromium Oxide Catalysts in the Dehydrogenation of Mono-olefins to Diolefins. By A. N. ROY ..	103
PART III. Catalytic Dehydrogenation of Butene in the presence of Air at Reduced Pressures. By A. N. ROY .. .. .	107
PART IV. Studies on Chemical Equilibrium in Isoprene formation from 3-Methyl-butene-1 at Low Pressures. By J. C. GHOSH and A. N. ROY ..	111
PART V. Heat of Reaction, Free Energy of Reaction and Entropy in the Dehydrogenation Equilibrium of Paraffin-Olefin Isomers-Diolefin of the Isopentane and n-Butane series. By J. C. GHOSH and A. N. ROY ..	115
