The Nature and control of epidemics *by* A. E. DIMOND 267

Epidemiology, spread and control of *Phytophthora megasperma* var. *sojae* and *Cephalosporium gregatum* in Soybean *by* J. B. SINCLAIR, L. E. GRAY, W. A. MEYER, R. W. SCHNEIDER *and* P. N. THAPLIYAL 280

Epidemiology and control of root rot disease of apple trees caused by *Dematophora necatrix by* R. K. AGARWALA *and* V. C. SHARMA .. 285

Preliminary investigations on epidemiology and control of mango malformation *by* ANUPAM VERMA, S. P. RAYCHAUDHURI, F.N.A., V. C. LELE *and* ASHA RAM 291

Epidemiology, forecasting and control of *Alternaria* blight of Cucurbits *by* R. PRASADA, G. L. KHANDELWAL *and* J. P. JAIN 301

Bacterial streak (*Xanthomonas transluscence* f. sp. *oryzae*) of paddy in Madhya Pradesh *by* J. N. CHAND, S. C. MANDLOI *and* S. N. KULKARNI .. 309

Application of phages in investigation of epidemiology of bacterial blight disease of rice *by* Y. P. RAO *and* D. N. SRIVASTAVA 314

Survival of *Pseudomonas lapsa* and *Erwinia carotovora,* stalk rot pathogens of maize in seed and a medium for isolation and detection of *Erwinia carotovora* in Soil *by* T. B. ANILKUMAR *and* B. P. CHAKRAVARTI .. 322

Epidemiology and control of bacterial blight of cotton *by* J. P. VERMA *and* R. P. SINGH 326

Control of some fungal diseases by antibiotics and crude plant extracts *by* AVDHESH NARAIN 332

Chemical control of scab diseases of potato *by* B. L. DUTT *and* D. S. SRIVASTAVA 341

Epidemiology of virus diseases of cucurbits *by* SHYAMA RANI, G. S. VERMA *and* H. N. VERMA 345

Possibilities of forecasting outbreaks of tungro and yellow dwarf of rice in India and their control *by* M. D. MISHRA, S. P. RAYCHAUDHURI, F.N.A., TRAVIS R. EVERETT *and* A. N. BASU 352

Epidemiology of cowpea mosaic virus with special reference to influence of host factors on the transmission efficiency of *Aphis craccivora* Koch. *by* S. Q. HAQUE *and* V. V. CHENULU 357

Epidemiological studies on the citrus die-back complex in India *by* T. K. NARIANI *and* G. R. SINGH 365

Control of plant-parasitic nematodes in rice soil *by* K. C. SAMANTARAY *and* S. N. DAS 372
