First Professor T. R. Seshadri Seventieth Birthday Commemoration Lecture, 1973 : On Pigments of Garcinia Species *by* K. VENKATARAMAN .. 365

Eikonal Approximation in Elastic Atomic Scattering *by* B. C. SAHA, KALPANA SARKAR *and* A. S. GHOSH 382

Night Airglow at Poona *by* A. D. TILLU 397

Electron Impact Ionization Cross Section of Atomic Oxygen *by* B. D. PADALIA *and* R. M. NAYAK 409

Total Ionization Cross Sections of He^+ Ions due to Electron Impact *by* S. P. KHARE *and* UDIT NARAIN 414

Coupled Equations with Final-Channel Interactions for Three-Body Scattering and Rearrangement Collisions *by* JOSEPH C. Y. CHEN 419

An Effective Polarization Potential for Low-Energy Electron-H_2 Collisions *by* C. A. WEATHERFORD, RONALD J. W. HENRY *and* M. C. BRUELS .. 432

Three-Body Breakup in the Glauber-Eikonal Approximation : Electron-Impact Ionization of Hydrogen Atoms *by* T. ISHIHARA, J. C. Y. CHEN *and* S. N. BANERJEE 438

Effect of Magnetic Field on Primary Ionization by Electron Collision *by* S. N. SEN *and* R. P. DAS 448

Electron Transfer by Crossing of Potential Energy Surfaces *by* V. MALAVIYA .. 458

Published by Prof. F. C. Auluck, Editor of Publications, Indian National Science Academy, 1, Bahadur Shah Zafar Marg, New Delhi-110001, and printed by him at the Kapoor Art Press, A38/3, Mayapuri, New Delhi-110027. R. N. 16423/68
