

## CONTENTS

No. 1, February 1975

	<i>Page</i>
Sunder Lal Hora Medal, 1975 : Some Aspects of the Reproductive Biology of the Langur Monkey <i>Presbytis entellus entellus</i> Dufresne by L. S. RAMASWAMI, FNA ... ..	1
Bashambar Nath Chopra Memorial Lecture, 1974 : Chromosome Pairing in Auto-Polyploids by J. VENKATESWARLU, FNA ... ..	31
Profiles of Infection Threads in Root Nodules as Revealed by Electron Microscopy by D. N. PRASAD ... ..	40
Studies on the Structural Stability of Some Soils of West Bengal by C. J. THAMPI and ASIT KUMAR MUKHOPADHYAY ... ..	47
Influence of Spenthop on Soil Structure by C. J. THAMPI and ASIT K. MUKHOPADHYAY ... ..	54
Food and Feeding Relationships of some Commercial Fishes of the Tungabhadra Reservoir by A. DAVID and K. V. RAJAGOPAL ... ..	61
A New Cellulose-decomposing Micro-organism from Indian Soils by C. P. AGARWAL ... ..	75
Barrier to Interspecific Crosses in <i>Cicer</i> by S. T. MERCY and S. N. KAKAR	78
In the Cichlid, <i>Tilapia mossambica</i> (Peters) by A. N. LATEY and P. V. RANGNEKER ... ..	83
Biophysics of Pericardium, Great Vessels and Chambers of Frog Heart and their Haemodynamic Inter-relationships by C. L. PATHAK and S. GOYAL	96

No. 2, April 1975

Anniversary Address, 1975 : Some Thoughts on Truth by D. S. KOTHARI...	107
Cytogenetics of Cultivated Bougainvilleas. I. Morphological Variation by S. N. ZADOO, R. P. ROY and T. N. KHOSHOO ... ..	121
Effect of Soil Application of Aldrin and Gammexane on Germination, Grain Yield and Quality of Soyabean ( <i>Glycine max</i> ) by S. SINGH and C. P. SINGH	133
Fungi of Delhi. XXVII. New Additions to Indian Species of <i>Chaetomium</i> by MADHU RIKHY, GEETA MALHOTRA and K. G. MUKERJI ...	137

The Influence of some Carbohydrate Diets as Adult Food or Group Interaction during Immature Stages on the Programming of Oviposition in the Spotted Bollworm, <i>Earias fabia</i> Stoll (Lepidoptera: Noctuidae) by KRISHNA KISHORE, C. VISHWAPREMI and S. S. KRISHNA ...	141
Soil Mycoflora as Producer of Volatile Fungistatic Factors by KIRAN JOHRI (nee SINGHAI), S. B. SAKSENA, FNA, and B. N. JOHRI ...	148
Effect of Salts on the Growth and Mineral Nutrition of Cabbage ( <i>Brassica oleracea</i> ) in Soil and Sand Culture by K. V. PALIWAL and G. L. MALIWAL ...	155
Levels of Protein and Essential Amino Acids in <i>Rhizoctonia solani</i> Kuhn Grown on Wood Pulp by D. S. CHAHAL, G. D. MUNSHI and A. K. CHOPRA ...	161
Ecology of Respiratory Losses in Teak and <i>Cymbopogon</i> Grass with Reference to Deciduous Forest and Grassland by S. K. BILLORE, L. P. MALL and K. DAWAR ...	169
Responses of the Preputial Gland and Perineal Complex of Neonatally Cast-rated and Androgenized Rats to Testosterone during Adult Life in Presence and Absence of Pituitary by V. P. DIXIT and MIKKO NIEMI...	172

## No. 3, June 1975

Mutations in Maize, Induced by Chemical Mutagenes by P. K. SHKVARNIKOV and V. V. MORGUN ...	177
Genetic Basis of Variety Reproduction in the Process of Seed-Multiplication of Cereals by G. V. GULAYEV ...	188
Untapped Plant Resources by H. B. SINGH, R. K. ARORA and M. W. HARDAS	194
Induction of Mutations in Wheat by P. K. SHKVARNIKOV and M. I. KULIK ...	204
The Transforming Effect of Somatic Crossing-over on the Type of Structural Mutations by L. S. NEMTSEVA ...	218
The Phenomenon of Natural Protection in Chemical Mutagenesis by L. G. DUBININA ...	231
Induced Mutagenesis in Wheat at Various Ploidy Levels by S. A. VALEVA ...	237
Conversion of Potential Changes into Gene Mutations and Structural Chromosomal Aberrations depending upon Time and the Stage of Cell Cycle by K. P. GARINA ...	248

Lethal and Mutagenic Effects of Methyl Methanesulfonate, Ethyl Methanesulfonate and N-Methyl-N'-Nitro-N-Nitroso-Guanidine in Wild-Type and UV-Sensitive Strains of <i>Haemophilus influenzae</i> by N. K. NOTANI, V. R. JOSHI and A. R. GOPAL-AYENGAR	...	...	...	256
Irradiation of Developing Embryos—A Technique for Induced Mutagenesis in Rice by P. N. BHADURI, FNA, and S. K. BRAHMACHARI	...	...	...	262
Some New Challenges in Mutagenesis by N. P. DUBININ	...	...	...	274

## No. 4, August 1975

Present Status of the Classification of the Order Mycoplasmatales, Class Mollicutes by E. A. FREUNDT	...	...	...	285
Mollicutes and Mycoplasma-like Agents of Plant and Animal Diseases by KARL MARAMOROSCH	...	...	...	298
Antibiotics in the Control of Mycoplasma Diseases of Animals and Plants by M. J. THIRUMALACHAR	...	...	...	304
Avian Respiratory Mycoplasmosis in Chickens : Studies on Standardisation, Keeping-Quality and Field Trials with an indigenously produced Serum Plate PPLO Antigen by K. K. AGARWAL, M. P. MALL and B. B. MALLICK	...	...	...	315
Role of Mycoplasma in Respiratory Tract Diseases of Man by A. AYYAGARI, U. GUPTA and L. N. MOHAPATRA	...	...	...	319
Assay of Mycoplasma Reference Antisera by Growth Inhibition, Metabolic Inhibition, Growth Precipitation, Indirect Hemagglutination, and Complement Fixation Tests by E. A. FREUNDT, H. ERNO', F. T. BLACK, A. KROGSGAARD-JENSEN and S. ROSENDAL	...	...	...	325
Detection and Possibilities of Therapeutic Control of the Greening Disease of Citrus caused by Mycoplasma by T. K. NARIANI, S. K. GHOSH, DINESH KUMAR, S. P. RAYCHAUDHURI and S. M. VISWANATH	...	...	...	334
Response of Spike Disease of Sandal to Mixed Treatment with Antibiotics and Fungicides by P. S. RAO, R. A. SRIMATHI, K. C. NAG, S. P. RAYCHAUDHURI, S. K. GHOSH, V. V. CHENULU and ANUPAM VARMA	...	...	...	340
Electron Microscopy and Plant Mycoplasma-like Agents (M. L. A.) by M. T. COUSIN and K. K. KARTHA	...	...	...	343
Yellows Type of Diseases in India : Eggplant Little Leaf by ANUPAM VARMA, S. P. RAYCHAUDHURI, V. V. CHENULU, S. SINGH, S. K. GHOSH and NAM PRAKASH	...	...	...	355

Isolation, Cultivation and Characterization of Mycoplasma-like Organisms from Plants by S. K. GHOSH, S. P. RAYCHAUDHURI, V. V. CHENULU and ANUPAM VARMA ... ..	362
Purple Top Roll Disease of Potatoes by B. B. NAGAICH and B. K. GIRI ...	367
Some New Aspects of Mycoplasmal Infections in Plants by O. P. BABBAR, U. S. SHUKLA, V. P. AGNIHOTRI and KISHAN SINGH ... ..	373
Breeding Brinjal Resistant to Little Leaf Disease by A. K. CHAKRABARTI and B. CHOUDHURY ... ..	379
Mycoplasma-Like Organism Associated with Citrus Greening Disease by S. S. SODHI, S. S. DHILLON, R. JEYARAJAN and S. S. CHEEMA ...	386
Biological Properties of Avian Mycoplasma Species in India by P. J. ASNANI and S. C. AGARWAL ... ..	390

## No. 5, October 1975

Chandrakala Hora Memorial Lecture, 1975 : Aquaculture—Its Potential and Scope in India by S. Z. QASIM ... ..	397
Bires Chandra Guha Memorial Lecture, 1975 : Recent Advances in the Physiology of Vitamin A by J. GANGULY, FNA ... ..	421
A Screening of some Actinomycetes for Protease Production by D. S. CHAHAL and S. K. NANDA ... ..	427
Influence of the Nature and Concentration of Calcium Ions on Production and Activity of Protease of <i>Streptomyces</i> spp. by D. S. CHAHAL and S. K. NANDA ... ..	435
Effect of Different Quality Irrigation Waters and Soil Texture on the Yield and Uptake of Nutrients by Wheat by A. P. GANDHI and K. V. PALIWAL	440
Production and Compartment Transfer of Dry Matter in a Tropical Grassland Community by C. M. MISRA and L. P. MALL ... ..	452
Respiratory Response of <i>Gloeosporium papayae</i> induced by Various Substances by K. M. VYAS, N. K. SONI and S. B. SAKSENA, FNA ... ..	458
Karyomorphology of Somatic Chromosomes in Pearl Millet by B. R. TYAGI...	462
Inoculum Potential and Soil Factors affecting the Pathogenesis of <i>Pythium butleri</i> in causing Damping-off of Tomato by N. N. TRIPATHI and RAJENDRA K. GROVER ... ..	466
Agronomic Treatments and Changes in the Rhizosphere Mycoflora of Groundnut. IV. Effect of Crop Rotation by L. V. GANGAWANE and K. B. DESHPANDE ... ..	475

Production of Pectic Enzymes by <i>Curvularia lunata</i> causing Leaf-Spot of Cotton by H. N. GOUR and H. C. DUBE ... ..	480
Embryogeny of Pinaceae. I. Proembryogeny by P. N. MEHRA, FNA, and P. D. DOGRA ... ..	486
Cytogenetics of Cultivated Bougainvilleas. II. Pollination Mechanism and Breeding System by S. N. ZADOO, R. P. ROY and T. N. KHOSHOO ...	498

## No. 6, December 1975

Control of Plastid Development and Chlorophyll Synthesis by Phytochrome by H. MOHR and H. KASEMIR ... ..	503
Action of Growth Substances and Temperature on Stomatal Structure and Development in the Cotyledons of <i>Luffa aegyptica</i> Miller by J. A. INAMDAR, M. GANGADHARA and M. B. PURANIK ...	526
<i>Gilmaniella humicola</i> — A Soil Inhabiting Cellulolytic Hyphomycetes by C. P. AGARWAL ... ..	539
<i>Neurospora dodgei</i> : A New Record for India by C. P. AGARWAL and R. K. S. CHAUHAN ... ..	543
Tertiary Trisomics in Pearl Millet by B. R. TYAGI ... ..	545
Hexose Utilization and Glycogen Synthesis by <i>Setaria cervi</i> (Nematoda) by NUZHAT ANWAR, AFZAL A. ANSARI and S. GHATAK ... ..	550
Rhizoctonia Diseases of Legume Crops as Affected by <i>Trichoderma viride</i> by DR (MRS) SUDHA MALL ... ..	559
Soil Amendments and Enrichment Media in the Ecology of Thermophilic Fungi by B. N. JOHRI and R. P. THAKRE ... ..	564
Fungal Colonization of Staled Agar Discs from Rhizosphere Soil Inocula of Pigeon Pea by R. S. DWIVEDI and D. K. ARORA ... ..	571
Extra-Cellular Pectic Enzymes of <i>Macrophomina phaseolina</i> — the Incitant of Root-rot of <i>Sesamum indicum</i> by H. C. DUBE and H. N. GOUR ...	576
