Vol. 49, Part B, No. 2, April 1983

Page

Oxygen-uptake from Water through the Respiratory Organs in *Channa punctata* (Bloch) in Relation to Body Weight
A Hakim, J S Datta Munshi and **G M Hughes** 73

Feeding Preferences in Some Sporophagous Idolothripinae (Tubulifera: Thysanoptera) **T N Ananthakrishnan** and **P William James** 86

Bio-assay and Neurotoxic Effect of the Fruit Extract of a Piscicidal Plant, *Zanthoxylum armatum* on Freshwater Fish
S N Ramanujam and **B K Ratha** 93

The Biocoenosis of *Salvinia molesta* Mitchell in the Veli Lake, South-West Coast of India—A Report on the Associated Oligochaetes
S Sobhana and **N Balakrishnan Nair** 101

Effect of Methallibure (ICI, 33, 828) on Pituitary Pars Distalis and Ovary of the Frog, *Rana cyanophlyctis* (Schn.)
M Masood-Hussain and **S K Saidapur** 108

Testicular Carbohydrate Metabolism on Prolactin Administration during Puberal Transition of Albino Rats **K Venkatarami Reddy, N Geethanjali, G Vemananda Reddy** and **S Govindappa** 116

Chromosomal Changes in the Scale Leaf Callus of Diploid *Scilla indica*
Shyama Prasad Chakraborti and **Sumitra Sen** 120

Pollen Analysis of Autumn Honeys of Kumaon Region
Mithilesh Chaturvedi 125

Seed-borne Nature and Infectivity of *Fusarium solani* (Mart.) Sacc.—the Causal Agent of Wilt and Fruit Rot of Brinjal (*Solanum melongena* L.)
R Uday Kumar, K M Safeeulla and **H S Shetti** 134

Histochemical Studies on the Female Gametophyte and Embryo of *Agathis robusta* (C. Moore) F M Bailey **Davinder Kaur** and **S P Bhatnagar** 142

Effects of Maleic hydrazide on Growth and Differentiation of the Fern *Lygodium lexuosun* (L.) Sw. **S P Singh** and **S K Roy** 151

Stomatal Patterns in Pteridophytes—An Evolutionary Approach
P N Mehra and **S L Soni** 155
