

**Proceedings of the
Indian National Science Academy**

CONTENTS

Detailed Morphometric Studies in <i>Penaeus indicus</i> Milne Edw. from Veli Lake, Trivandrum K V Jayachandran, B Indira, Alphy Korath and V Mallika	65
<i>In vitro</i> Effects of Thyroid and Gonadal Hormones on the Activity of Mitochondrial Oxidative Enzymes in a Teleost (<i>Anabas testudineus</i> Bloch) and an Apodan Amphibian (<i>Gegenophis carnosus</i> Beddome) M C Subash Peter, K K Sutharam and Oommen V Oommen	71
Chemical Ecology of <i>Probergrothius sanguinolens</i> (Hemiptera : Pyrrhocoridae) in Relation to Herbivory and Carnivory G Gurusubramanian, D S Prakash and A Jeyakumar	81
Interference of Propylthiouracil in the Activity of some Endocrines in Male White-throated Munia, <i>Lonchura malabarica</i> K Some, S Sarkar, S R Majumder and A K Sarkar	91
Small Mammalian Diversity on the Abu Hill Ishwar Prakash, Partap Singh and A Saravanan	95
Phytoplankton Diversity in the Drift or a Tropical River Tunga, Western Ghats (India) S V Krishnamurthy and S Ravichandra Reddy	105
New Records of Sessile Rotifers from Freshwater Fishponds of Tripura II S Bank	111
The Explosive Floral-mechanism and Pollination in the Genus <i>Hyptis</i> (Lamiaceae) Raju J S Aluri and C Subba Reddi	117
Reproductive Biology of Wild and Cultivated Fennel (<i>Foeniculum vulgare</i> Mill.) Pushpa Koul, N Sharma and A K Koul	125
Comparative Study of the Distribution and Incidence of Pollen Aeroallergens in Tamil Nadu, India R Satheesh, V Anand Gideon, H K Devadoss and G R Rao	135
Structure and Development of the Pollen Wall in <i>Prosopis juliflora</i> (Leguminosae, Mimosoideae) Bharti Chaudhry and M R Vijayaraghavan	145
Comparison of Empirical Models to Simulate Crop Growth and Relative Growth Rate in Sunflower (<i>Helianthus annuus</i> L.) Cultivars T V Ramachandra Prasad, S P Palaniappan, C Suyambulingom and A Rajagopal	159
Preliminary Analysis of Quantitative Characters in Teak D Swain, S C Mohanty, Rajesh Sharma, A K Mandal and B N Gupta	169
